Title: SOLAR SUNRISE;
CITAC MATTERS;
OO: HQ

Synopsis: Following is the status of WFO's involvement in this investigation as of 2/24/98.

Reference: EC dated 2/17/98 to Houston Division.

Details:

288-WF-211047 "U.S. NAVY - VICTIM; OO: WFO".

SA is coordinating all investigative activity with Agents of the Naval Criminal Investigative Service (NCIS) based in both Washington, D.C. and Jacksonville, Florida. Trap & Trace/pen register installation still problematic. The subject's current whereabouts and employment are known. Coordination with the NCIS Agents will continue. Remote monitoring at continuing. Intrusions through IAP.NET into MIT will be addressed by NCIS only.
